DISCLAIMER: Due to an equipment malfunction, these results are a best guess in many places, but I am reasonably confident the order is correct. Exceptions may be where I don't have a time for you - I don't know if it was missed or if you pulled out. Apologies if I have spelt your name wrong or made other errors. If anything is significantly wrong and you would like it corrected, let me know. It's taken about 5 hours to get to this point - longer than the actual racing.
