Comments

Even more kids riding this week! Might have to put in an extra grade for those 12 and under in future so that even more feel confident to give it a go. It would be really great to get some more adult women along though - what do we need to do to entice them?

Bradley and Anton were racing neck and neck in the A Grade race until Brad had the misfortune to roll his tyre.

Thanks to

Dan van Asch for allowing us to use his property, the farmer for being accommodating, Craig Tregurtha, John Davis and Suse Thomson for doing some track work to get the track in better condition, Fiona Pearson and Graham Allan for recording the laps, Richard Craig for the loan of some gear, Miriam Irving for standing by with the first aid kit, all those who took a turn marshalling the bottom corner, everyone who raced and all the fabulous spectators. Approx \$165 was raised through your donations and this will be used to further mountainbiking activities in Christchurch

See you at the next Christchurch Singletrack Club event
